Zogby Poll: Obama, Edwards Strong but Clinton Slips Against GOPers

General election match-ups show the New York Senator would lose against every top Republican

UTICA, New York – A new Zogby Interactive survey shows Democrat Hillary Clinton of New York would lose to every one of the top five Republican presidential contenders, representing a reversal of fortune for the national Democratic front-runner who had led against all prospective GOP opponents earlier this year.

Meanwhile, fellow Democrats Barack Obama of Illinois and John Edwards of North Carolina would defeat or tie every one of the Republicans, this latest survey shows.
